## EDUCATION

### **South Plains College, Levelland TX — Associates of Performing Arts Technology**

1997-1999

Studied and mastered live and video production, live audio, studio recording and lighting.

### **Muleshoe High School, Muleshoe TX — Graduate**

## ABOUT ME

I am looking to find a meaningful job, with a solid rewarding future, where I can exercise my years of multi-media experience to bring new and fresh ideas to the table. I have been a part of many ad campaigns, websites, print and video projects and have also trained several organizations and teachers how to use their video editing software. I look forward to bringing my skill set to a good partnership with a potential employer.

## SKILLS

Television Directing both live and taped, Web Design and Implementation, 3D Animation, Video Editing, Lighting, Graphic Design and Motion Graphics.

## AWARDS

**I have received several ADDY Awards from the local Ad Club as well as National Addy Awards in 3D animation.**
